HENDERSON MONTHLY NEWSLETTER
JUNE 2017

The Adult Day Care Center of Henderson is celebrating Father's, summer with laughter, bright clothes and iced teas. Summer is a time to enjoy family and friends, take it easy and relax in the warm sun rays of June. June is National Alzheimer's Awareness, Tea, Safety, and Handshake Month. There's a lot to be said about a good handshake: so shake a hand at our Center and make a friend. Our Henderson Center responds to the important mission of supporting adults of all their efforts citizens in and senior to ages independent, with dignity in the community. Our Center will offer an array of activities that all of our participants enjoy, including: a daily exercise program, Tai Chi, Music Therapy, Gardening, Bingo competitions, Arts & Crafts and live entertainment in the afternoons. Please join us for summer fun in the sun as we welcome the month of JUNE.

HIGHLIGHTS FROM MAY

The excitement of our three May holidays, Cinco de Mayo, Mother's Day and Memorial Day had our Center celebrating. For Memorial Day our clients made several flag themed arts and crafts which, one is displayed by the front door. Our fiesta was awesome and our Mother's Day luncheon was just beautiful. A Big Thank You to Chef Lori!. We have been observing huge smiles and laughter during our Karaoke and Charades fun Hour. Everyone is invited to be an actor, sing and dance to fun, lighthearted music in our Karaoke/Charades fun Hour on the second Thursday's late afternoon. It's nice to see our clients having such a good time. Our seniors continue to take morning walks through their beautiful flower garden before it gets too warm, and to play shuffle board. Our view of the mountains takes your breath away in the morning sun. Attention! Cooks, Chefs, and Food Enthusiasts! Please submit your recipes. See attached flyer for details.

<u>ATTENTION CAREGIVERS!</u>

What's the best way to help prevent cataracts? The best way is simple, wear sunglasses to protect the cornea from light. They should be good sunglasses that block out all ultraviolet light below 400 nanometers. Those who do not wear sunglasses regularly often experience cataracts 10 to 15 years earlier than those who do. Good sunglasses are helpful in preventing macular degeneration as well.

-Emil Stein, MD ophthalmologist

On behalf of our entire family of caring professionals here at The Adult Day Care Center of Henderson, we would like to thank you for continually being an important and appreciated part of our Center. We strive to make our Center a place of caring and fun for all of our participants. Remember, our doors are always open to you and your family members needs. Thank you for choosing us!
