HENDERSON MONTHLY NEWSLETTER MARCH 2017

IT IS FUN BEING GREEN! The Adult Day Care Center of Henderson (ADCCH) welcomes March, the beginning of Spring and the opportunity to become eco-friendly by reducing our carbon footprints. The average American generates 4.5 pounds of trash every day, almost twice the amount that was produced daily in 1960. The atmosphere will be about fun recycling. One person's discards become our Center's treasures. Mastering a new skill can ward off dementia and even help fight cancer. Creative fitness may be the best preventative measure discovered so far. Our Henderson Center responds to the important mission of supporting senior citizens in their efforts to remain independent, with dignity in the community. We will continue to offer the fun contemporary activities that our participants enjoy: A daily exercise program, Tai Chi, Sign Language, Spanish, Gardening, Bingo competitions, Arts & Crafts and live entertainment in the afternoons. Please join us as we celebrate all the amazing ways we can go green in the month of March.

HIGHLIGHTS FROM FEBRUARY

February lifted our spirits! The seniors made Love Art that was displayed throughout our Center. Our participants are enjoying the Centers daily **Fun-Food-Art-Activities**. You may see some of our client's food art-pieces in some gourmet food magazines. 😊 We were royally entertained by wonderful entertainers throughout the month. If you think you missed the opportunity to buy our Senior Art Calendar, they are still on sale for **\$5**, and they are quite beautiful. Our seniors had a fun packed Presidents Day, filled with presidential trivia. Everyone must have worn their thinking caps. The trivia answers were flowing from our seniors like water. **A BIG THANK YOU** to our wonderful hard working staff, you are our Unsung Heroes.

NEW ARRIVALS

We are pleased to welcome the new participants who became a part our Center's family in February: John A, Robert C. Kathy S. and Harry M.
